

# COMPUTER INFORMATION SYSTEMS MANAGER

PACIFIC MOUNTAIN  
**WORKFORCE**  
DEVELOPMENT

*building community prosperity*

SUMMER 2017

You will oversee the information technology operations of an unit or organization and plan, coordinate, and direct computer-related activities. In organizations that do not have a Chief Information Officer, you may be the IT executive with the most responsibility. You will make long term plans for IT operations and authorize major technology purchases.

**Hot Jobs:**  
*Computer User Support Specialist,  
Computer Systems Analyst,  
Computer Network Architect*

*Do you like to solve puzzles?*

*Do you find yourself troubleshooting computer problems for friends and family?*
