

**DESIGNATED EVENT PARKING - LOT F**  
 (look for yellow tape and signage)

Parking spaces will be held until 8:15 am. After that time, our staff member will no longer be in attendance and people will need to find available empty spaces, either in visitor parking or unmarked spaces. Parking in upper lots can be difficult to find, so attendees are encouraged to arrive early. Please do not park in any reserved spots, as you may be ticketed.

Utilize parking lot H for disability spots
