Company Overview
Although innovation is the key to our success at Niagara, our family tradition of high quality, value priced bottled water will never change. Niagara continues to grow and is the leading private label bottled water company in the United States.

Andrew Peykoff Sr. started bottling high quality low cost Niagara® water in five-gallon glass containers for home and office delivery in 1963. The Niagara tradition of quality, integrity, hard work and great customer service made Niagara a household name in Southern California.

Job description:

- Responsible for overall maintaining of a production line, including starting and stopping of some equipment (palletizers, carton makers, carton sealers, drop packers). No mechanical work is performed without prior approval.
- Responsible for accurately completing and updating information forms and logs such as Machine Report, Quality Report, Downtime Report and Carton Top Load Report.
- Understand and follow plant safety rules including safe lifting practices and safe machine operation. Personal Protective Equipment is to be used where required.
- Housekeeping: maintain general housekeeping in all areas of production, including the break rooms and rest rooms. Bale plastic, cardboard and contaminated bottles when needed; grind bottles when needed.
- Raw materials: keep bottle caps, labels, cartons, trays, tray and pallet wraps (plastic rolls) and pallet glue for hot melt tanks in adequate amounts to ensure continuous smooth running of equipment and operation.
- Maintain quality requirements in accordance with company standards; accurately filling out hourly inspection sheets based on overall production quality. Responsible for reporting all quality defects.
- Ability to work in all assigned areas of production; perform relief duties when required.
- Stack, tie and label unused carton; troubleshoot minor production line issues; perform relief duties.
- Regular and predictable attendance is an essential function of the job.
- Ability to work 12 hour shifts, day or night, on a rotating 2-2-3 schedule.
Please note this job description is not designed to contain a comprehensive list of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time with or without prior notice.
