PacMtn Workforce Development Announces Location Change and New Business Hours

Pacific Mountain Workforce Development (PacMtn) is pleased to announce a change in location to the Heritage Bank building in downtown Olympia at 201 5th Ave SW Ste 401. This change will go into effect on December 1, 2022. PacMtn is also changing business hours to Monday through Thursday, 8am – 5pm, closed on Fridays.

PacMtn CEO, William Westmoreland said, *“The COVID-19 pandemic continues to impact how the public workforce system serves the constituents in our region. Today, PacMtn is a smaller, more agile organization with different space needs than what the Irving Street location has to offer. We’re lucky to have found a space that gives us the flexibility to adapt our operation as the employment market continues to settle in into a ‘new normal’.*

The downtown Olympia community is a vibrant area of our community that offers an inclusive, culturally rich experience. My team and I are extremely excited to be a part of it. The Kidder Mathews team did an outstanding job navigating us through the process of finding a property and provided excellent counsel in securing the lease.

We look forward to welcoming the community into our new space in the Spring of 2023.”
