TITLE: Customer Concern and Complaint Resolution

POLICY: # 425

EFFECTIVE DATE: December 1, 2013

REVISION: # 2

REVISION DATE: January 25, 2023

BACKGROUND

Federal law and regulations require procedures for handling program complaints alleging violations of WIOA Title I, Wagner-Peyser and Trade Adjustment Assistance (TAA) laws. Additionally, federal laws and regulations require procedures for handling complaints alleging violations of nondiscrimination laws.

The state policies referred to within establish delineation between program and discrimination complaints.

State Policy 1012 R2 – Customer and Concern & Complaint Resolution and Complaint Handbook

- Provides standard expectations for processing customer concerns and formal complaints, minimum requirements for referring program complaints to partners located in the WorkSource system for additional processing and resolution, and provides distinct definitions of a customer “concern” and a customer “complaint”.

State Policy 1017 - W.S. Discrimination Complaint Processing and the Discrimination Complaint Processing Handbook

- Establishes the minimum requirements and procedural guidance to Local Workforce Development Boards (LWDB), their subrecipients of the Workforce Innovation and Opportunity Act (WIOA) Title I grant funds, service providers and centers within the One Stop System, regarding the processing of discrimination complaints, including the development, maintenance, and implementation of local level discrimination complaint procedures.

All grant recipients/program providers under Title I of WIOA are responsible for complying with the discrimination complaint procedures at 29 CFR Part 38, as outlined in this policy 1017 and the Discrimination Complaint Processing Handbook.

PURPOSE:

PacMtn fully supports our program operators and clients in resolving all disputes informally at the lowest possible level. However, all program operator employees and their subcontractors are responsible for protecting employee and customer rights to file formal complaints alleging violation of any of the policies identified above.

This guidance, in alignment with State Policy 1012R2 and State Policy 1017 and their associated handbooks applies to all programs and services provided within the Pacific Mountain Workforce Development Area. It also applies to the Pacific Mountain Workforce Development Council (PacMtn), and all service providers and program partners providing services within the PacMtn WorkSource

System. The guidance within the policies and handbooks identified above provide detailed information to encourage and support the prompt resolution of all customer concerns, outline minimum expectations for coordination among partners, and outlines the need and expectations for oversight by the local WDC (PacMtn) in the complaint system as described in 20 CFR 667.600(c)(1). The oversight responsibility of a local WDC is also clarified when dealing with complaints from “other interested parties affected by the local workforce development system, including One-Stop partners and service providers” as described in 20 CFR 683.600 (c) (1). PacMtn’s oversight role is noted in detail below.

Information and complaints involving allegations of fraud, abuse, mismanagement of federal funds or other criminal activity must be reported immediately as directed in PacMtn Policy # 3090 Fraud Reporting. If incidents or suspected activity includes WIOA funds, Employment Security and the Office of Inspector General will be notified.
